## ARGES® REMOTE SPOTLIGHT SERIES

Offers revolutionary control with 360° of continuous rotation and a 180° tilt range. Its small footprint helps reduce blind spots while driving and its all-new collision-safe control head eliminates the need for an internal handle. Installs quickly with no A-pillar drilling or airbag interference, is programmable with Whelen Command®, and features Proclera® Optic Technology, and black die-cast aluminum housing.

### Model ARGES1

5° Spotlight with Proclera Silicone Optic

**\$613.95 ea.**

### Model ARGCH1

Control Head for Arges, Bail Bracket

**\$274.95 ea.**

### Model ARGFMKT

Arges Kit, Includes ARGES1 Spotlight, ARGCH1 Control Head and ARGFM Flat Mount

**\$924.95 ea.**

### Model ARG\*\*\*

Vehicle specific mounting brackets for Arges. See price list for options.

**\$86.95 ea**
